DISCLAIMERS

Unfortunately, NWAC & SIS are not able to provide any financial assistance for your vigil. We also are unable to provide event insurance for City permits. (Those fees are normally waived for advocacy events).

Because we do not have permission from every family, NWAC and SIS cannot provide you with the names or photos of every missing and murdered Aboriginal woman. The images that we do have permission for are available on NWAC's website.

Please fill in this form and e-mail it to lflorez@nwac-hq.org
